

MEMORANDUM

Date: November 26, 2007
To: Water Right File 21-7190
From: medl
Re: POU

Updated PLS

Testimony from Tom Howell, son of the original permit holder, necessitated re-evaluation of the place of use. I was able to verify historical irrigation of additional acres using 1986 Landsat imagery and so I added those acres to the place of use shape for 21-7190.
