PROOF ACKNOWLEDGMENT LETTER

RE: Permit No. 57-11618

Dear Mrs. Wallin:

The department acknowledges receipt of the Proof of Beneficial Use ("proof") form submitted for the above referenced permit. With the proof you provided the department a copy of the Letters Testamentary appointing you the personal representative for Marvin Wallin. Enclosed is an order reinstating the permit since proof was submitted after the proof due date. Please note that the priority date for the permit has been advanced to **November 5, 2002**, as provided in Section 42-218a(2), Idaho Code.

The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

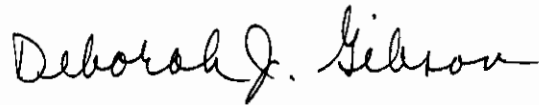

Additionally, you filed an Assignment of Permit ("assignment") to change the name of the permit holder to I-O-N Water Users Assoc. The department has reviewed this assignment and cannot change the name of the permit holder to that corporation because it appears the corporation was dissolved in December of 2006. This information was verified according to the records of the Secretary of State. With this letter I am returning the assignment and providing you with a blank form for resubmitting if appropriate. If you do not plan to file a replacement assignment, you may wish to request the fee be refunded. I have updated the department's records to reflect your name as Personal Representative for the Estate of Marvin Wallin and I am enclosing a computer-generated report showing the ownership of this permit for your records.

Be advised that Section 42-248, Idaho Code, requires you as the owner of water rights to maintain current ownership and address records on file with the department. For your information, forms to file a change of ownership of a water right, or a change in the address of the water right owner are available from any department office or from the department's website: www.idwr.idaho.gov
