RE: Application for Transfer -- Broken Arrow Farms

Dear Mr. Lester,

In September 2006, an AMENDED Application for Transfer in the name of Broken Arrow Farms Inc. was submitted to IDWR in pursuit of adding new Points of Diversions. The September amendment identified a location for the wells that may cause some inter-well interference. The applicant now wants the new wells in the locations identified in the enclosed first page of the Application and accompanying map.

Please replace the first page of the Application for Transfer submitted in September 2006 with the enclosed sheet. Also, replace the colored map (Figure 1) with the enclosed.

The two proposed well locations are intended to be in the SE NE SE and NE SE SE of sec 6 T5S, R6E.

I apologize for any inconvenience. Please call if you have any questions or comments.

Regards,
