RE: Application for Transfer – Broken Arrow Farms

Dear Mr. Lester,

Enclosed, please find an AMENDED Application for Transfer in the name of Broken Arrow Farms Inc. The Application for Transfer seeks two new Points of Diversion for a farm/dairy in south Elmore County. The original Application for Transfer was submitted in February 2006. However, the applicant thought it best to install two new wells to avoid as much as possible the use of the well that currently pumps sand. This amended transfer application seeks two new PODs instead of just one and is intended to fully replace the application submitted in February.

Please call if you have any questions or comments.

Regards,
