RE: Assignment of Permit for Water Right 15-7199

Dear Mr. & Mrs. Smith:

This is a corrected letter to replace the letter of December 18, 2007. The water right number was listed incorrectly. The correct water right number is shown above.

The Department of Water Resources acknowledges receipt of your Assignment of Application for Permit to change the ownership of a Permit. Because this water right is in the permit stage, a \$25 filing fee is required to complete the ownership change.

Because the Department cannot process the ownership change without the \$25 fee, we will hold any action on your notice pending receipt of the necessary fee. If we do not receive the necessary fee within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions, please feel free to call me at (208)287-4945

Sincerely,

A handwritten signature in cursive script that reads "Darla Block". The signature is written in dark ink and is positioned above the printed name and title.
