RE: Change of Ownership for Water Right 67-10137

Dear Ms. Halverson-Distler:

We have received your letter dated February 21, 2005, concerning the ownership of the above mentioned water right. You indicated that the water right should be changed into your name alone due to a divorce. However, shortly before receipt of your letter, our office returned all documents to you as we had not received a response to our letter dated March 2, 2005. In order to complete an ownership change for this water right, you will need to resubmit the ownership change form, along with all support documentation.

Also, in order to put the ownership into your name alone, we will need a Quit Claim deed or other official document in which Michael Distler deeds his portion of the property to you. Please forward all required documents to our office as soon as possible so we may resolve this issue.

If you have any questions regarding this matter, please contact me at 208-287-4962.

Sincerely,

Kandice L. McDermott
Records Analyst
