Re: John Reitsma Application to Lease Water Right to the Water Supply Bank

Dear Mr. Marshal:

In accordance with a telephone conversation I had recently with Gary Funderburg, please consider this letter a request to modify the above-referenced pending application submitted on behalf of John Reitsma regarding Water Right No. 47-2296C. I am Mr. Reitsma's attorney.

The Application should be revised to reflect a diversion rate of .053 cfs and a volume of 38.6 acre feet per annum for stock water, and .027 cfs diversion rate and 19.8 acre feet per annum commercial.

It is my understanding that with the information contained in this letter you will now be able to immediately process Mr. Reitsma's pending application to lease the above-referenced amount of water from the Water Supply Bank.

Please contact me if you need any additional information or clarification.

Very truly yours,

FREDERICKSEN WILLIAMS MESERVY & LOTHSPICH, LLP
