

RECEIVED  
 JAN 18 2008  
 DEPARTMENT OF  
 WATER RESOURCES  
 2008 JAN 17 PM 4:54

IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE  
 STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA  
 Case No. 39576

ORDER OF PARTIAL DECREES FOR  
 FEDERAL ADMINISTRATIVE SITES BASED  
 ON FEDERAL AND STATE LAW

FOR FEDERAL RESERVED WATER RIGHTS:  
 77-10795, 77-10798, 77-11537, 77-11569, 77-11657,  
 77-13915, 77-13918, 77-13919, 77-13920, 77-13922,  
 77-13923, AND 77-13925

FOR WATER RIGHTS BASED ON STATE  
 LAW: 77-14298, 77-14287, 77-14288, 77-14289,  
 77-14290, 77-14291, 77-14292, 77-14293, 77-14294,  
 77-14295, 77-14296, 77-14297

The above-captioned federal reserved water right claims were claimed as implied federal reserved water rights for administrative sites within the boundaries of a national forest. The claims were included in the *Basin 77, Part II, Reporting Area 24, Director's Report for Federal Reserved Rights* filed March 31, 2006. The State of Idaho contested the claims based on the scope of some of the claimed purposes of use. No other objections were filed.

On January 15, 2007, in resolution of the State of Idaho's objections, the United States and the State of Idaho filed a *Stipulation to Resolve Objections*. In compromise and settlement of the objections the parties agreed to split the claims and have the objectionable portions of claim decreed based on state law. The federal reserved claim and related claim based on state law have a combined use limitation which does not exceed the quantity originally claimed. A hearing was held on the *Stipulation* on January 15, 2008. The Court agreed to accept the terms of *Stipulation* in whole in resolution of the contested subcases. The United States also previously filed affidavits in support of its claims. The Court has reviewed the affidavits and finds that the United States had met its burden of establishing the existence and elements of an implied federal reserved water right for the elements of those claims to which the State of Idaho did not object.

THEREFORE, IT IS ORDERED that federal reserved water right claims 77-10795, 77-10798, 77-11537, 77-11569, 77-11657, 77-13915, 77-13918, 77-13919, 77-13920, 77-13922, 77-13923, AND 77-13925 are hereby decreed as set forth in the attached *Partial Decree[s]* Pursuant to I.R.C.P. 54(b).

IT IS FURTHER HEREBY ORDERED that state-law based water right claims 77-14298, 77-14287, 77-14288, 77-14289, 77-14290, 77-14291, 77-14292, 77-14293, 77-14294, 77-14295, 77-14296, 77-14297 are hereby decreed as set forth in the attached *Partial Decree[s]* Pursuant to I.R.C.P. 54(b).

ENTRY OF A FINAL UNIFIED DECREE. I.C. SECTION 42-1412(6).

RULE 54(b) CERTIFICATE

With respect to the issues determined by the above judgment or order, it is hereby CERTIFIED, in accordance with Rule 54(b), I.R.C.P., that the court has determined that there is no just reason for delay of the entry of a final judgment and that the court has and does hereby direct that the above judgment or order shall be a final judgment upon which execution may issue and an appeal may be taken as provided by the Idaho Appellate Rules.
