RE: Change of Ownership form

This office is in the process of reviewing your Change of Ownership Form submitted June 20, 2007. We are returning the original form since a signature is required on the back page. Please sign and return to this office.

We also found a discrepancy with water right no. 61-10307. According to the deeds you submitted you do not own the land this water right is appurtenant to. See map enclosed. If you do own this property, please submit deeds with legal descriptions for that property.

Water rights 61-10308-9 are for domestic and stockwater use. We also need more information on these. One is for a 400 foot deep well and one is for a 25 foot deep well. Please indicate on the map where each of these wells is located if you are using water from them. Please indicate which is the 400' well and which is the 25' well.

If you have any questions, please call me at 334-2190.

Sincerely,

Sandy Egbert
GIS Specialist
