•Comments: Attached is the Proof of Beneficial Use form and its instructions and fee schedule. Also attached is a Change in Address form. Please file the proof with any office of IDWR, with your license exam fee as determined by the Maximum Diversion Rate you claim, and with a completed change of address form.

We have a satellite office in Lewiston located at 1118 F Street. The phone number is 743-0301. Call first since it is a one-person office. He should be able to accept the proof form and receive your fee, he will forward them to me for processing, that will establish your new priority date a little sooner than if you mailed it to me. He can also help you complete a new application for permit to start the process on your second well.

If I can be of any further help, please contact me.
