RE: Application for Permit No. 94-7433, 95-9421, 95-9424, 95-9426, 95-9427, 95-9428

Dear Billie & Glenda:

Enclosed you will find a legal notice which we wish to have published in your newspaper on the dates indicated, December 6 & 13, 2007, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

This is the legal notice that did not get into the paper as scheduled, beginning November 15 – so it had to also be pulled and not run on the 22nd either.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 12/24/2007. Your cooperation is very greatly appreciated.

Thank you,
Sincerely

Dianne

RE: Application for Permit No 95-9427

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your water right application. Please refer to the above referenced number in all future correspondence regarding this application.

A legal notice of the application has been prepared and was scheduled for publication in the Coeur d'Alene Press on November 15 and 22, 2007. Due to paper error, it did not publish on those dates. It is now scheduled for publication on December 6 and 13, 2007. Submittal of protests to this application will be allowed for a period ending ten days after the second publication.

If the application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an unprotested application is about eight to twelve weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Keith E. Franklin
Senior Water Resource Agent
