Dee,

I'm sorry to hear you were sick and I hope you are feeling better now.

At this point we can do nothing except I will have to start all over again on the applications that were involved in the legal notice 433 that didn't make it into the press as scheduled. All the dates will have to be changed within the legal notice, and we will just start from scratch for our next publication cycle which will be on February 1 and 8, 2007. I will be submitting a revised legal notice to you next week, following the usual procedure, and, as always, requesting Proof Prior to Publication.

I am receiving calls from the applicanats wondering why the notice was published as we had indicated to them. I will have to notify the applicants involved that the publication will be delayed for a couple of weeks, and why.

I will also have a second separate legal notice to submit to you next week, because I have 5 additional new applications within Kootenai County that will need to be published in the Press, and will need to run February 1 and 8. That means that I will need two separate Proofs of Publication - one for each legal notice for each set of applications that we will be advertising.

Thanks for your reply. At least I know now what I have to do at this time.

Have a wonderful weekend, and take care of yourself

Dianne

I was sick on Wednesday and Thursday of this week and I'm afraid that my fill in did not put your legal on the runner. I'm terribly sorry for the miscommunication. It will not run on the 25th either. Please let me know what you would like to do from here.

It appears that this legal notice No. 433 for which I did receive a PROOF PRIOR TO PUBLICATION, did not make it into the paper yesterday as it was scheduled.

If this is actually the case, we will have to pull the one for the 25th and start all over again.

According to Idaho Code, by which we are bound, we must begin our advertising cycles on either the first week or the third week of the month and publish in daily newspapers on 2 consecutive Thursdays.

Please check this out and get back to me ASAP.
