Subject: Mike & Barbara Vincent Application For Permit

Jim,

On May 8th of this year, Mike and Barbara Vincent submitted two applications for a permit to appropriate water. One application was from Lake Coeur d' Alene and the other was for ground water. The ground water application was filed as a municipal and Mr. & Mrs. Vincent was suppose to form an LLC, Corporation or something that would be conducive to a municipal, plus they were suppose to obtain a PWS number from DEQ and get back to me. I haven't heard anything from them, so are they still interested in obtaining a permit?

Please let me know what you find out.

Thank you.

Keith.
