RE: Change of Ownership for Water Right Nos. 34-777, 34-2433, and 34-10580

Dear Water Right Holders:

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

I have also enclosed a copy of reports for Water Right Nos. 34-10579, 34-605A, 34-360A, 34-197A, 34-196A, 34-195A, 34-131A, and 34-130. The place of use for each water right is partially or completely on the land as described in the warranty deed submitted. I have enclosed a blank copy of the Notice of Change in Water Right Ownership for your use, should you choose to pursue ownership of these rights. Each water right split would require the fee of \$100. WR No. 34-10579 would not require a split, therefore the fee would be \$25.

I have also enclosed the acknowledgement letter for the division of Water Right No. 34-2513. A total of \$200 was paid for the division of the water right. Since the water right was only divided one time, followed by a second request to change the ownership, the fee should have been \$125.00. I will wait 30 days to submit a refund request. If you would like to submit additional ownership change requests, \$75 can be applied toward those changes.

Please feel free to contact to call me at (208) 287-4952 if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Office Services Supervisor
