**RE: REFUND FOR EXCESS FEES PAID IN RENTAL OF WATER RIGHTS
LEASED TO THE WATER SUPPLY BANK. WATER RIGHT NO(S). 36-
2083A, 36-2083B, 36-8593**

Dear Lessor(s):

The Department of Water Resources has requested the issuance of a state warrant in the amount of **\$348.48** as a refund to you from the payment received for rental of water from the Water Supply Bank during the 2004 through 2006 irrigation seasons. Your payment of \$495.00 was received prior to execution of the rental agreement. The agreement mistakenly referenced a rental fee for one year of water use. Since the rental agreement is valid for three years, the total rental fee is \$1,465.20 (44.4 acre-feet times \$11.00 per acre-foot times 3 years).

Ten percent (10%) of the total rental fee is retained by the Department for Administrative fees in accordance with Water Supply Bank Rules, IDAPA 37.02.03.01. The remaining ninety percent (90%) is issued back to the lessor of the water right(s) in the form of a warrant. Since you are the lessor and the renter under this agreement, the department required that you submit only the portion of the total payment to be retained for administrative fees. Therefore, a total rental fee of \$146.52 was required for the rental of water under the executed agreement. The remainder of your payment will be issued in a state warrant.

If you have questions, please feel free to contact me.

Sincerely,

Cynthia Bridge Clark
Water Allocation Bureau
