Subject: BLCC Water Supply Bank Lease

Crystal,

I would like to issue the lessor payment back to the Blue Lakes Country Club for their Lease/Rental agreement. I will need an IRS W-9 form from them with a Vender ID number in order to submit a warrant request. The form should have been attached to their lease acceptance letter, but the link to the IRS website is listed below if they need another copy. (attached)

Thank you for your help.
Cynthia
