Re: Application For Permit to Appropriate the Public Waters of the State of Idaho.

Please outline the location of the land that you are going to use, plus mark the location of the point of diversion on the attached map. Please call me for the information you will need to complete your application.

Once the department receives this additional information, processing of the application can continue. If you have any questions, please call me at 208-762-2800 or email me at eric.davis@idwr.idaho.gov

Sincerely,

Eric Davis
Water Resource Agent
Northern Region
