RE: Change of Ownership for Water Right Nos. 37-11638 37-11639 & 37-11641

Dear Parties Holding Security Interest:

The department acknowledges receipt of the notice of security Interest renewal. The department has modified its records to reflect the change in expiration date for the water rights listed above. Since all other rights listed on your renewal are still active in the adjudication, I forwarded a copy of your notice to them.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
