**NOTICE OF PROPOSED CHANGE
TO WATER RIGHTS**

Notice is hereby given that two Applications for Transfer have been filed with the Idaho Department of Water Resources for changes to water rights within Cassia County. **PICKETT RANCH & SHEEP CO, 568 W 1650 S; OAKLEY ID 83346** has filed Application No. 73318 which proposes changing the place of use of a 27-acre portion (0.35 cfs) of an irrigation ground water right from pivot corners on a farm located approximately 6.5 - 7.0 miles south and 2.5 - 3.0 miles west of the center of Burley to an existing 475 acre permissible place of use on an adjacent farm located approximately 7.0 - 8.0 miles south and 2.0 - 3.0 miles west of the center of Burley. The existing 475-acre permissible place of use currently consists of four groundwater rights that allow for the irrigation of all 475 acres, but 29 acres of the 475 acres are covered by a relatively late priority (expansion) right. The transfer will allow for the irrigation of 27 of these 29 acres within the 475-acre permissible place of use with an older water right. The portion of the right being transferred will continue to be diverted from existing wells that serve both farms via an interconnected delivery system. **ARIMO CORP, C/O CHRISTOPHER F. ROBINSON, PO BOX 540478; NORTH SALT LAKE UT 84054** has filed Application No. 74264 which proposes to take 3 existing wells and add them as points of diversion for two stockwater rights currently diverting a combined total of 0.35 cfs from groundwater for stockwater use and to change the place of use of both rights to show the location of the stock tanks. No new wells will be drilled. Location of the place of use is between 10.5 - 14 miles south of Malta on the east side of HWY 81. For specific details regarding an application, please contact IDWR Southern Regional Office at 208-736-3033 or visit the website for the Department at <http://www.idwr.idaho.gov/apps/ExtSearch/WRFiling.asp> Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Protests against approval must be filed with IDWR, Southern Region, 1341 Fillmore St.-Suite 200; Twin Falls, ID 83301 with a protest fee of \$25.00 for each application on or before January 14, 2008. The protestant must also send a copy of the protest to the applicant.
