RE: Application for Transfer of Water Right(s) - 73342

Dear Applicant(s),

The Department of Water Resources has received your water right transfer application, originally filed by Arimo Corporation and then assigned over to you when you purchased the property. This transfer proposes to tie all of the water rights together and make them appurtenant to a large permissible place of use consisting of 2,102.4 acres. We also processed a request to add Farm Credit West FLCA as a Security Interest on these water rights. Before we can continue to process the transfer, additional information is required as described below:

A notarized statement from the holder of the lien, deed of trust, mortgage or contract agreeing to the proposed changes FOR THE PROPERTY TO WHICH THE WATER RIGHT(S) BEING CHANGED ARE CURRENTLY APPURTENANT.

Please have Farm Credit West FLCA provide this notarized statement agreeing to the proposed changes in the transfer. If they need a copy of the transfer, please let me know and feel free to contact this office if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeanie', written over a horizontal line.

Sr. Water Resource Agent
