RE: Change in Ownership for Water Right No. 95-8779

Dear Interested Party:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership along with what appears to be a portion of the Wilbur David Morton Living Trust. Our review of your notice indicates that additional information is required before we can process the change.

X **Evidence of Water Right Ownership and Legal Description of Property:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

The trust indicated that Kathleen M. Morris is the successor trustee and the person who receives the trust property. However, there is no description of the property which was included in the trust. Please submit the remaining portion of the trust document which describes the property transferred into the Wilbur David Morton Living Trust.

Once we receive the documentation and match the property description to the water right, the department will change the ownership of the water right to Kathleen M. Morris only. If you want the water right in David Morris' name as well, additional documentation must be submitted. A deed conveying the property from Kathleen M. Morris to Kathleen and David Morris will suffice. This deed must also give a description of the property conveyed.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
Office Services Supervisor
