3. ADDITIONAL INFORMATION ABOUT RIGHT, OR PORTION THEREOF, FOR SALE OR LEASE

a Explain how the seller/lessor acquired the right, or portion thereof, and attach a copy of the deed to the land to which it is appurtenant or other evidence of ownership of the right. If the right is not recorded in the name of the seller/lessor, attach a copy of a change of ownership form as required by Section 42-248 or 42-1409(6), Idaho Code, together with required documentation

The water right was acquired through the purchase of the property
which includes the place of use. Attached is a copy of the IDWR water right
report, which indicates ownership of the water right.

b Describe the frequency of water use under the right, or portion thereof, during the past five (5) years of use. Attach watermaster records, pumping power bills, or other evidence to demonstrate that the right has not been lost through abandonment or forfeiture. (This information is not required if a partial decree has been issued on the right within the last 5 years)

This water right has been leased to the Water Bank for the past two years.
The SRBA claim has been investigated by IDWR and a copy of the recommendation
is attached.

- c. If the right is from a surface water source, describe the period of the year that water is typically available to satisfy the right

April 1 - October 31

- d. Describe any other water rights with the same purpose and place of use as the right, or portion thereof, offered for lease. Will the present place of use continue to receive water from any source? If so, describe.

An SRBA claim has been filed on 75-4199, which appears to apply to the same place of use as this water right. No determination has been made concerning the validity of claim 75-4199. The present place of use will not receive water from any source for the term of this lease.

- e. If the water right is a permit, describe the work accomplished toward developing the right.
-
-
-

- f. If the right to the use of the water or the use of the diversion works or irrigation system is represented by shares of stock in a company or corporation, or if such works or system is owned or managed by an irrigation district, a written consent of the sale or lease must be attached.

4. REMARKS:

This lease is under the Columbia River Basin Water Transaction Program. The intent of the program is to increase tributary flows for anadromous and resident fish. This includes leasing water from the landowner and use of the Idaho Water Bank.

5 SALE/LEASE AGREEMENT

1 The water right or portion thereof, described above is offered to the Idaho Water Resource Board:

_____ For sale;

X For lease for a period from 01,04,2006 to 01,11,2007
(Day month year) (Day month year)

(The lease period may be shown as "indefinite", if the total duration of lease is unknown); or

_____ As a gift to the state of Idaho.

2 Show the minimum payment acceptable to the Seller/Lessor. Include the method of determining the minimum payment. The minimum payment may be shown as the "current rental rate"

\$3,700.00

I hereby assert that the information contained in this application is true to the best of my knowledge, and that I have the authorities necessary to offer this right for sale or lease to the Idaho Water Resource Board.

The owner/lessor acknowledges the following:

1. Payment to the owner/lessor is contingent upon the sale or rental of the right from the bank.
2. While a right is in the bank, the owner of the right may not use the right even if the right is not rented.
3. A right accepted into the bank stays in the bank until the Board releases it or until the lease term expires.
4. While a water right is in the bank, forfeiture provisions are stayed.
5. Acceptance of a right into the bank does not, in itself, confirm the validity of the right or any elements of the water right.
