Subject: *Applications for Transfer of Water Rights – Barron Development, LLC*

Dear Mr. Lester:

Enclosed on behalf of Barron Development, LLC are two Applications for Transfer of Water Right. The first application seeks to create a permissible place of use for water rights 63-32686, 63-32690, 63-32692, and 63-32694. The application also seeks to change and/or add points of diversion to two existing wells. It is anticipated that these four water rights will eventually be conveyed to a homeowners' association for the proposed Rolling Meadows subdivision.

The second application seeks to add a point of diversion to water right 63-32688. It is anticipated that this water right will eventually be conveyed to a homeowners' association for the proposed Wild Prairie subdivision.

A check for \$580 is enclosed to cover the filing fees associated with these applications. Please contact me at 383-4140 with any questions.

Sincerely,

Jennifer S. Sukow, P.E., P.G.
