Re: Amendment to City of Cambridge Water Right Transfer Application No. 73774
Heco No. CA082003

Dear Mr. Nelson,

As discussed, City of Cambridge water right transfer application no. 73774 submitted in 2005 shows the diversion rates for water right no. 65-10970 and 65-14512 in amounts that are inconsistent with the partial water right decrees issued by the SRBA Court in 2006. The City of Cambridge requests water right transfer application no. 73774 be amended to reflect the SRBA decreed diversion rate and volume amounts for water right no. 65-10970 and 65-14512. This request is submitted by Holladay Engineering Company, appointed City Engineer for the City of Cambridge, at the request of the Mayor and Council of the City of Cambridge.

If you have any questions, please contact me at (208) 642-3304.

Sincerely,
HOLLADAY ENGINEERING COMPANY
