RE: Water Right Permit No. 27-07577

Dear Permit Holder(s):

The Department of Water Resources acknowledges your request for an extension of time in order to review the Application for Amendment of the above referenced water right. Before a license can be issued, your permit must be amended to depict your water use as it was actually developed. The license must be issued before your transfer application can be processed for this water right.

Please carefully review the amendment form mailed on July 19, 2007. If you concur with the information presented, please sign the form and return it with the \$50.00 filing fee by August 31, 2007.

If you need additional time to review the application, please submit a written request.

If you have any questions, please call me at (208) 287-4943.

Sincerely,
