Total Acres: 282.3

CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District Nos. 01 and 27.
2. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
3. This right when combined with all other rights shall provide no more than 4.0 afa per acre at the field headgate for irrigation of the lands above.
4. Diversion and use of water under this right is subject to rules that may subsequently be promulgated for existing rights used for supplemental purposes.

WATER RIGHT NO. 27-07577

5. Claims 27-3C, 27-37F, 27-11939, 27-3G, 27-10296, 27-10341, 27-10344, 27-10505, 27-10756, and 27-11940 have been recommended in the Snake River Basin Adjudication with places of use that partially or completely overlap the place of use for this right. If these claims are decreed as recommended, they shall not exceed a total diversion rate of 7.66 cfs and the irrigation of 288.2 acres when combined with right 27-7577.
6. Diversion of water under this right shall be used to supply share holders of the East Idaho, Corbett Slough, and Blackfoot Irrigation canal companies diverting water from the Miner Ditch. Miner Ditch users will allow their surface water shares to continue down the Snake River as mitigation to offset the use of groundwater under this right.
7. The portion of Right 27-7577 used for conveyance losses is 1.63 cfs and 328 af. The conveyance loss portion of this right shall not be transferred to another beneficial use. Furthermore, if the right holder changes the method of conveyance and reduces conveyance losses, this right shall be diminished by the amount no longer needed for conveyance losses.
8. The point of diversion is known as the Lansing Street well.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 24th day of December, 2007.

For DAVID R. TUTHILL, JR.
Director
