**RE: NOTIFICATION OF WATER SUPPLY BANK LEASE EXPIRATION
WATER RIGHT NO(S). 43-2409B**

Dear Lessor:

Idaho Department of Water Resources ("department") records show that all or a portion of the above referenced water right(s) was leased to the Water Supply Bank ("bank") through December 31, 2005. This letter is notice that the right will be considered released from the bank unless you advise the department within thirty (30) days of the date of this letter that you want to extend the period of the lease. Notice should be submitted in writing or through the attached Lease Term Extension and Release Form

If you would like the right(s) to remain leased to the bank, please specify the date to which you want the lease extended. All leases expire as of December 31, unless otherwise specified in the lease agreement. You may also request the right(s) remain leased to the bank for an "indefinite" period. In this case, the right(s) will remain in the bank indefinitely unless released earlier by the Water Resource Board or until the lessor submits a request to the department in writing to release the right(s) from the bank

Please consider that the five (5) year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the bank. If a written request is not received within thirty (30) days, the right(s) will be released from the bank as of December 31, 2005. The department regrets the delay in notification of lease expiration.

If you have any questions, please contact me at (208) 287-4943

Sincerely,

Aaron Marshall
Water Allocation Bureau
