RE: Application for Permit No. 37-21297

Dear Bill:

As we discussed on the phone this afternoon, I have enclosed a draft approval document for your application to divert 500 cfs from the Little Wood River for power generation. Please review the draft and submit comments to me by December 14, 2007. If I do not hear from you by that date, I will assume you have no concerns about the draft permit, and I will recommend approval.

If you have any questions, please call me at 208-287-4947, or email me at shelley.keen@idwr.idaho.gov.

Sincerely,
