Subject: Legal notice for publication November 15 and 22, 2007.

Good morning, Catherine,

Attached is our cover letter requesting publication of a legal notice on November 15 & 22, 2007. The legal notice is also attached.

If you have ANY questions, please call me at 208-762-2800.

Also, please fax or e-mail a preview copy before this goes to press. FAX 208-762-2819 -
mailto:dianne.ball@idwr.idaho.gov .

I realize my legals are not easy to handle, but at least they are generally a copy and paste situation with minor modifications. You can always drop the font for the entire legal by 1 point if necessary to keep it within the 2 column setup.

Thanks for all your super good help! You are truly appreciated!!

Dianne

RE: Application for Permit No 94-7432 and 94-7434

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your water right applications. Please refer to the above referenced numbers in all future correspondence regarding this application.

A legal notice of the applications have been prepared and is scheduled for publication in the Shoshone County News Press on November 15 & 22, 2007. Submittal of protests to this applications will be allowed for a period ending ten days after the second publication.

If either of the application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application(s) can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an unprotested application is about eight weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Keith E. Franklin
