12. Remarks: _____

This application seeks a permit to provide water for the Galena Ridge golf community and resort (the "Project") near Kellogg, Idaho. The Project lands were conveyed to Galena Ridge by IDEQ as part of that agency's effort to encourage economic development and appropriate land uses on parcels that were formerly owned by Bunker Limited Partnership ("BLP") and used in connection with historic mining activities in the area.

IDEQ owns water rights 94-4217 and 94-4244 in Government Creek, both of which were established by BLP (the "IDEQ water rights") and used for industrial purposes on the former BLP land. Simultaneously with this application, IDEQ is placing the IDEQ water rights in the State Water Bank and Galena Ridge is seeking to rent them from the Bank as a temporary measure to allow the Project to get underway. Galena Ridge is filing this separate water right application for Government Creek water to provide a permanent supply. IDEQ is cooperating with Galena Ridge in these efforts, as indicated in Exhibit A.

13. **MAP OF PROPOSED PROJECT REQUIRED** – Attach an 8½" x 11" map clearly identifying the proposed point of diversion, place of use, section #, township & range. (A photocopy of a USGS 7.5 minute topographic quadrangle map is preferred.)
