

MEMORANDUM

TO: Application for Permit 37-21297 File

FROM: Corey Skinner

DATE: May 19, 2004

SUBJECT: Site Visit

On May 13th, I visited the site involved with Application for Permit 37-21297 with Bill Arkoosh (applicant). The following photos document my observations of the Little Wood River during the site visit...

ABOVE: View looking up the Little Wood River in the NENE ¼ of Section 26 (T05S, R16E). This is the general area where the proposed point of diversion will be located.

BELOW: View looking up the Little Wood River in the NENW ¼ of Section 27 (T05S, R16E). This is the general area where the water proposed to be diverted will return to the river.
