PROOF ACKNOWLEDGEMENT LETTER

RE: PERMIT NO. 92-10006

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form and examination fee submitted for the above referenced permit. Enclosed is an order reinstating the permit advancing the priority date since proof was submitted after the proof due date. Please note that the priority date for the permit has been advanced to **August 25, 2002**, as provided in Section 42-218a(2), Idaho Code.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water. The regional office staff will contact you when that examination is to be conducted. At the time the examination is conducted the system must be in operation, otherwise this permit will be of no force nor effect.

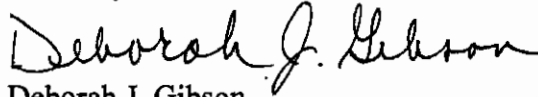

Additionally, I find that you paid \$100.00 for the license examination fee. This permit was issued for 0.01 cfs, for which the appropriate license exam fee is \$50.00. Because you were not authorized to divert 0.21 cfs the department cannot accept the proof based on that information. (I am enclosing a copy of the permit for your information.) Therefore, with this letter I have requested that the State of Idaho issue you a check in the amount of \$50.00. This refund check will be mailed to you within 7-10 business days.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.
