LAPSE NOTICE

IMPORTANT: This permit has lapsed because no written response was received from you by the IDWR. Development and/or use must cease under the permit and the permit will no longer be of any force nor effect.

RE: PERMIT NO. 92-10006

Dear Permit Holder:

You are hereby notified that under the provisions of Section 42-218A, Idaho Code, the above referenced permit has lapsed and is of no further force nor effect. The department provided the proper forms to you in the proof due notice dated September 30, 2007. No further construction or development and/or use is authorized under this permit.

The permit can be reinstated if you submit an acceptable proof of beneficial use or an acceptable request for extension of time to the department within sixty (60) days of the date of this lapse notice.

Enclosed again for your use are a proof of beneficial use form and a request for extension of time form. An acceptable proof of beneficial use submittal must include the examination fee or a completed field examination report prepared by a certified water right examiner. A request for extension of time must be accompanied by a fifty dollar (\$50.00) fee.

Sincerely,

Jeff Peppersack, Bureau Chief
Water Allocation Bureau
