RE: Request for Extension of Time to Complete Transfer 71811
Right 63-32060

Dear Mr. Lister:

The Department has received your letter dated 11-30-2007 requesting additional time to complete the changes authorized under Transfer 71811 that was approved on 07-26-2005. Earlier this year we received a similar request from you. At that time an Order granting extension of time to complete transfer was issued extending the date in which to complete the transfer to July 26, 2008. I have enclosed another copy for your records.

Your letter notes that you propose to drill the well in the spring or summer. You may well accomplish the transfer within the time allowed under the existing extension. If by July, you still have been unable to complete the transfer due to county zoning delays, we may consider an additional extension at that time.

If you require additional information regarding this matter, please call me directly at (208) 287-4951, e-mail me at pam.skaggs@idwr.idaho.gov or contact me by mail, and I will be happy to assist you.

Sincerely,

A handwritten signature in cursive script that reads "Pamela S. Skaggs". The signature is written in dark ink and is positioned above the printed name and title.
