PROOF ACKNOWLEDGMENT LETTER

Re: Permit No. 57-11621 & 57-11622

Dear Permit holder:

The department acknowledges receipt of the proofs of beneficial use ("proof") forms submitted for the above-referenced permits. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

The department's database has been updated to reflect the above mailing address. Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have questions about the field examination, please contact the **Western** Regional Office of the department in Boise at (208) 334-2190. If you have any additional questions, please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
