Subject: Legal notice for publication Nov. 7 & 14, 2007

Good morning, Shannon,

Attached is our cover letter requesting publication of a legal notice on November 7 and 14, 2007. The legal notice is also attached.

If you have ANY questions, please call me at 208-762-2800 or e-mail me at <mailto:dianne.ball@idwr.idaho.gov>

Please either FAX or e-mail a proof/preview copy before this goes to press so I can check the layout.

I abbreviated County in one area because I thought that line might go over slightly from our usual 2 column setup. If you need to abbreviate the other one closer to the top of the legal notice, that is OK, too. It is also acceptable to drop the font by 1 point if necessary to stay within the 2 column format.

Thanks for ALL your wonderful help - and have a super day!

Dianne

RE: Application for Permit No 96-9345

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your water right application. Please refer to the above referenced number in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the Priest River Times on November 7 and 14, 2007. Submittal of protests to this application will be allowed for a period ending ten days after the second publication.

If the application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an unprotested application is about eight to twelve weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Keith E. Franklin
Senior Water Resource Agent
