Cherie:

Thank you for your telephone message and I apologize I missed your call. Your message indicated you were interested in the letters seeking comments from various folks in response to our client's applications for permit, which were requested by Steve Lester in his March 2, 2007 correspondence ("Send comment letters to the Canyon County Commissioners, any irrigation district and/or canal company or drainage district in the local area, and the US Army Corps of Engineers."). For your convenience, I have attached a copy of all seven (7) letters we sent out on April 6, 2007, in response to Steve's March 2nd correspondence.

Please let me know if you require additional information or have any questions.

Thanks, Tiffany

Gentlemen:

We are providing a copy of applications for water permit for winter wildlife habitat use which are pending before the Idaho Department of Water Resources. The applications are intended to provide open water winter habitat for water fowl, birds, and terrestrial species. The water diversions will not interfere with any existing water rights and the use will be non-consumptive.

The applicant would like to receive your written comments which describe any reactions you may have to the applications. Please send any comments to me within 30 days of today's date. If you would like additional information or have questions, please do not hesitate to contact me.

Very truly yours,
