Subject: Permit no. 63-32229 and Transfer no. 73959

Dan,

I looked over the information in the files for permit no. 63-32229 and transfer no. 73959. Based on the information provided by the application, it does not appear that this will constitute a facility to be regulated under the Safety of Dams Program.

Let me know if you have additional questions,
Cynthia
