Re: Permit No. 37-20834 / Walker Sand & Gravel

Dear Ms. Gibson:

I received a copy of your letter dated November 16, 2007 regarding Condition No. 9 on the above-referenced permit. I confirmed with Mr. Walker today that the water usage under this permit and the subsequent recharge of the water on the permit holder's property is not subject to water quality permitting by the Idaho Department of Environmental Quality. Therefore, this condition appears to be non-applicable to this permit. Please call if you have any questions.

Cordially,

Charles G. Brockway, P.E.
