Subject: Transfer No: 72548-Water Rights 61-12075 – Transfer Approval Notice

Dear Sir,

I am respectfully requesting a 1 year extension from the Idaho Dept of Water Resources in performing the execution of the change authorized by this transfer under the "Conditions of Approval" page Item 1 on my Transfer Approval Notice dated 1 May 23, 2006. I am currently on active duty with the United States Air Force stationed at Eglin AFB FL and my enlistment of service officially ends 1 Jan 2008 which prevents me from executing the use of the water rights within the 1 year period from date of approval. As an Idaho resident and upon retirement from the military on or about 1 Jan 2008, I currently plan to try and have a house built sometime late in 2007 on the property to which the waters rights were purchased for at Lot 3 Blk 1, Thunderbird Estates No. 1. Additionally, I would like to update my current mailing address for your records as directed by the Approval Notice. It is:

Bernard Sarinas
4819 Summer Creek Cove
Crestview, FL 32539

HP: 850-682-9510
Cell: 850-978-0474
E-mail: bsarinas@cox.net

Approval of this request will allow me the time to finish out my time left in the military and have a home built and begin taking advantage of the water rights on my property. I will gladly answer any possible questions you may have on this matter at the above address or phone numbers. Thank you.

Sincerely,

BERNARD SARINAS
