RE: Change in Ownership for Water Right No. 61-7404B & 61-11926

Dear Interested Parties:

The Department of Water Resources received a Notice of Change in Water Right Ownership on April 23, 2007. After reviewing the documents submitted, it was noted that the appropriate filing fee was not included. A letter was sent to you on April 24, 2007 regarding this matter.

Effective July 1, 2000, there is a filing fee of \$25 per water right, in which the Partial Decree has been issued by the SRBA Court. The partial decree has been issued on the water right referenced above. We are returning the Notice and its attachments, as we have not received the appropriate filing fee. Copies of your ownership change request information will be kept in our files for reference.

If, at a later date, you wish to reinstate this request you may send the enclosed ownership change request form along with the required support data we will be able to review &/or complete the request for you.

If you have any questions regarding this matter, please call this office at (208) 334-2190.

Sincerely,

Denise Buffington
Administrative Assistant

6. If the change in ownership affects the entire water right for each water right or adjudication claim number listed in item 1, THEN SKIP THIS ITEM AND GO TO ITEM 7. If the change in ownership divides the water right(s) among multiple owners, you must describe, in detail, your portion of each water right after the change. Fill in the appropriate spaces in the box(es) below to describe your water right(s) after the change (one water right per box, you may copy this page as necessary). If your quantity of water is greater than a proportionate split, you must attach documentation to show justification for a larger amount. If you are not sure how to identify your portion of the original water right or adjudication claim records, please contact the nearest IDWR office for assistance.
