Re: City of Cambridge Water Right Transfer

Dear Mr. Nelson,

On July 7th, 2004, Holladay Engineering submitted an application for Transfer of Water Right for the City of Cambridge. The City of Cambridge requests a time extension for the processing of this application until October 15, 2005. Additional time is requested for collecting and submitting historic water records to substantiate water right claim 67-10970. We anticipate completion of the record research in the coming months.

If you have any questions, please contact me at (208) 642-3304.

Sincerely,
HOLLADAY ENGINEERING COMPANY
