Re: Temporary transfer – Rinker / KSKI property

Dear Allen:

Enclosed is a Temporary Change Application submitted on behalf of Harry Rinker. The purpose of the temporary transfer is to move a portion of water right 37-30030 to land that Mr. Rinker recently purchased in the vicinity of the KSKI radio station. According to IDWR records, this land was within the decreed place of use for 37-521, 37-522, and 37-523, but these rights are later priority and have been cut. A water supply is therefore needed for the remainder of this season.

This water right is also the subject of a “permanent” transfer application, which Corey is processing, but the temporary transfer is needed immediately for this season. The portion being moved is currently applicable to the Timberview Terrace subdivision, and I am enclosing agreements between Mr. Rinker and the lot owners to allow this transfer to occur. Corey has the original documents with original signatures, and also had deeds for all of the Timberview lots. I am enclosing a deed showing Mr. Rinker’s ownership of the KSKI property.

The Hiawatha Canal will be the source of water for this property. This canal currently supplies water for Mr. Rinker’s Peregrine Ranch, which is just south of the KSKI property.

Please do not hesitate to call if you have any questions.

Sincerely,

Charles G. Brockway, P.E.
