Dear Mr. Jones-

This is in response to your letter dated April 27, 2000 regarding our protested application for transfer (#5360) filed to change the point of diversion on WR 22-00146. Please do not withdraw our application at this time as we are continuing to negotiate with the interested parties and feel confident we can resolve the matter without a lengthy hearing. Thank you for your support and attention of this matter.

Sincerely,

Jeffrey M. Klausmann
