Dear Dave-

I am writing to request that you initiate procedures to withdraw my Water Right No. 22-00146 transfer application. It is likely that I will eventually proceed with my original transfer but I am reconsidering my options and undergoing discussions with neighbors about the best course of action to avoid another protest. Please contact me at (208) 354-3690 to discuss this matter further.

Sincerely,

Jeffrey Klausmann
