Dear Mr. Klausmann:

I have had application for transfer #5360 (protested) in my files for almost one and a half years. This was filed to change the point of diversion on WR 22-00146.

The options at this point are a prehearing conference, a full hearing or withdrawing the application. I will need you to let me know within 30 days what option suites your needs.

Sincerely,

Harold W. Jones
Water Right Supervisor
