Mr. Dahle,

Thank you for your quick response. To be certain the water right holder generated the request, IDWR normally requires a signed document requesting an address change. In this instance, I confirmed the request on the phone with Gene Gussenhoven, whom I know personally. IDWR will process your email request.

Shelly Keen:

I am authorized by the Military Division to make the requested change for the Agency's point of contact. I asked Major Gene Gussenhoven to make this change on the Agency's behalf.

Please note that I have coordinated this change with the listed POC, Mr. Blair Jaynes, as noted on the CC: line of this email.

Please let me know if this email message suffices.

Thank you.
