PROOF ACKNOWLEDGEMENT LETTER

RE: PERMIT NOS. 85-15360

Dear Permit Holder:

The department acknowledges receipt of the Proof of Beneficial Use ("proof") form submitted for the above referenced permit. Enclosed is an order reinstating the permit since proof was submitted more than 60 days after the lapse notice was issued. Please note that the priority date for the permit has been advanced to **June 18, 2002**, as provided in Section 42-218a(2), Idaho Code.

With this letter I am returning a Request for Extension of Time ("request") that was filed with the proof. I have returned this request because the proof appears to be appropriate.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water. If you have questions concerning the field examination, please contact the **Northern** Regional Office of the department in Coeur d'Alene at (208) 762-2800.

Sincerely,
