Describe what work has been completed toward the development of this water right:
(This must be filled out! If no work has been completed, show "none".)

Dam and diversion work from the stream to the pond have been completed. The blueprint
for construction and installation of a measuring device has been completed by Mr.
Dale Gooby, and Peterson Metalworks has been retained to construct the device.

Costing \$ 48,000*

The permit holder(s) has been unable to complete the remainder of the work for the following reasons:

The undersigned has been unable to obtain the services of a contractor to install
the measuring device by December 1, 2007. Weather permitting, the installation should
be completed by April 1, 2008.

Permit holder(s) request an extension to April 1 20 08
