**RE: PERMIT NOS. 85-7626A & 85-7626B**

Dear Mr. Woods:

The Department has received the Proof of Beneficial Use form ("proof") referencing both of the above-referenced permits, a license examination fee in the amount of \$50.00 and documents to provide evidence of beneficial use for reinstatement purposes. The Department cannot accept a proof form for more than one water right permit and the fee you paid is not correct for both permits.

Therefore, I am returning the original proof and ask that you resubmit proof of beneficial use on separate forms for each permit. The \$50.00 you paid will cover the fee for permit no. 85-7626A, but the appropriate fee for permit no. 85-7626B is \$100.00. Enclosed you will find two proof forms, with a set of instructions and the license examination fee schedule.

I will hold this matter for **30-days** from the date of this letter for your response. Upon receipt of the corrected proof forms and the \$100.00 filing fee, I will review the documentation for evidence of development for reinstatement purposes. If you have any questions, please contact me at (208) 287-4942.

Sincerely,
